- Dr. K presented a request for updating both computer labs at the same time, with some updated prices. There was discussion about the use of the old computers, an update to our technology plan, the ability to use grant money to fund these updates, leasing rather than purchasing the computers, etc. H&S has $25K currently earmarked for these purposes. With the additional funds sitting in the general fund as well as funds coming in from the magazine drive, grocery scrip, etc. After the discussion, it was moved and seconded to go ahead with the approval of the funds – approximately $40,000. Discussion was also held re: what quorum of H&S was needed for a vote. Determined we had a quorum, and the motion passed.
- Dr K asked about the difference between navy & black leggings – decided black leggings were also acceptable in the uniform code.
- Talked about the gate again – Dr. K will have either Joyce or Jo lock the gate each day & make that a regular part of their duties. Still need to figure out the Sunday Mass thing.
