- Sept 26-27        Festival of Ministries/Brat Fest
- Lay Witness Talks; Kathy has confirmed the Dolan's and Keys' for speakers
- Commitment Cards – Stewardship council members will assist with distributing the cards at all the masses. I propose the following resource plan –
  - 5pm – Molen / Brown
  - 730am – Beckmann
  - 9am - Borchers / Miller
  - 11am – Stephens / Mullarkey
- Festival of Ministries – Tim M and Amy are taking the lead with this. We need to talk to Susan Moore who is cording Brat Fest to let her know our plans as soon as possible. We will use the Google docs tool Amy developed to facilitate new sign ups, and will give out free beverage (non-alcoholic) tickets to any one that signs up for a ministry. We discussed the need to include "Festival" activities at all the masses, and agreed it would be helpful if we also had a "donut Sunday" on this weekend to help encourage people to get over to the cafeteria. Amy will reach out to Susan Schmidt to schedule this event. Tim and Amy will work with the Brat Fest people to ensure the ministries tables are in a prominent location, and they will reach back out to our group if more help is needed to facilitate this event.
- Donut Sunday's – we agreed that the name for these events need to be changed to Stewardship Sunday's, and we will work w/ the ministries to do a better job to spotlight them at these events. Kathy suggested we have witness talks from a member of the ministry that's sponsoring that week to help promote/inform people about the ministry. Ann proposed an idea in support of the Give A Meal A Month program that would involve children brining up some of the food donations to the alter during the collection. Ann will talk with Tammy about the idea and then we will propose something more formal to Fr Bob for his input and approval.

- Ministry Leadership Meeting – Ann and Tony have made a lot of progress with updating the committee roster and will distribute the most current version to the committee. The leadership meeting is scheduled for Sunday, 8/30 at 10:15am and all committee members are encouraged to attend. We discussed the proposed agenda and priorities the topics. Amy agreed to develop feedback form that we would have available at the meeting, and also send out in a follow-up e-mail.
- Sanctuary Map – Steve mentioned a new initiative we will be working on to develop a map of our sanctuary that explains/points out all the incredible sacramental art we have in the church.
