OPENING PRAYER: Fr. John

APPROVAL OF MARCH MEETING MINUTES: Steve, Jennifer, all

BUSINESS:

PARISH LEADERSHIP MEETING: Brian: Peg, Jim, Steve, and Brian working on leadership forum for 3rd or 4th week of Sept; theme of radical hospitality for all ministries,

STEWARDSHIP: Matthew: PC managing campaign to recruit new committee and leadership; have identified characteristics needed for leadership and will reach out to ministries for potential people to recruit by Sept; outlining key objectives of 2019 to get good fit for leaders of committee, considering spiritual gift inventory (parish wide effort most effective, could roll out in stages to different groups), need to set date for stewardship campaign for Fall;

Fr. John: Servant keeper (data base) could be used to organize stewardship information; hard to get the 1/3 that are not involved/not much outreach to them; need different approach to different groups; could do multi-faceted approach or focus on one thing each year, past parish split focus over three years: prayer commitment year one, participation commitment year two, treasure commitment year three

Brian: could focus on precepts of faith; with more buy in to the mission of the parish the treasure will come;

Katy: try open conversations with those not involved to see what would get them engaged;

Next stewardship sub-committee meeting in June; will generate 2018 theme; campaign to be implemented over a couple weeks: send parish report and hold Stewardship Sunday (homily, hospitality)

PASTOR'S REPORT: Fr. John

Ann Steffen beginning on July 1st as communications person, will focus on clear consistent message across parish and work on bigger vision of the parish (living the Gospel)

PLT: preparing to work first with Andrew Shipp and Marc Stratham, then Melissa Hunter and Ann Steffen to help them set their goals; PLT contact person for each one to keep them accountable to goals
